We love spending time with
the kids at the feeding center!

Prayer and Praise

The children's feeding center remains a key focus of the ministry. Feeding hundreds of children is no easy task, but God has blessed the ministry with a team that genuinely loves these kids and understands that there is an eternal purpose beyond providing a meal. Please pray for the many children who come to the feeding center from challenging and sometimes dangerous family situations. We hope that La Finca and the feeding center will serve as places of refuge for these children. Additionally, we pray that every child finds Jesus as their Lord and Savior.

Nearly 200 sixth-grade students spent a day with their teachers as part of their graduation activities. La Finca was used as the meeting point that evening, where the parents and family came to celebrate the graduates. Praise God for the opportunity to meet so many parents and introduce them to La Finca and the ministry taking place there. Some photos and videos are posted on Facebook.

Next on the agenda is the formal graduation ceremony for sixth-graders from another school to be held at La Finca. We did not even know any kids who were graduating from sixth grade 23 years ago, as they had dropped out well before then. It is an amazing testament to God's love and care to see the many prayers for the kids' education

answered in such a powerful and obvious way. Some 400 kids, with their families, have been at La Finca over the last few weeks, many of them from the ministry.

Pray that God would intervene in homes where youth are suffering from abuse and violence. Amid great injustice and pain, pray that God would defend and protect the youth.

We praise God that He continues to bring new faithful prayer and financial supporters to the ministry. If this is your first newsletter, welcome!

Pray that we will see fruit throughout the entire ministry as we seek to make disciple-making disciples among the nations.

Mark's 95-year-old dad had hip replacement surgery earlier this month. The surgery was successful, but the recovery has been very slow. Please pray for complete healing.

Please pray for the many special Christmas and end-of-the-year celebrations and activities being planned. The all-church Christmas party in Los Guido is just one of those activities and will be on Sunday, December 14.

We praise God for our prayer and financial partners! Please pray for the end-of-the-year giving over the final weeks of the year. We have trusted the Lord with the ministry finances for over 23 years now. We believe that December will be one of those times when God, once again, provides just in time!

A Special Note to our Financial Supporters. We appreciate you! Really! We praise God for you! The financial support that comes into the ministry is never taken for granted. That is why we send a handwritten thank-you note each month to individuals, families, and churches who contribute to the work of the Lord here in Costa Rica and in Nicaragua, Honduras, and Venezuela. The Lord continues to do amazing things by using those offerings for His glory and touching hundreds of people each month.

From the world's perspective, the places the ministry has been called to serve are forgotten places of violence and hopelessness. But people, young and old, are finding hope! That hope is found only in Jesus Christ. Thank you for allowing us the privilege of sharing that hope and the good news of the gospel. Your generosity reaches into four countries!
